## Be that Ray of Hope

The services provided by Bait-ul-Sukoon Cancer Hospital and Hospice (BSCHH) are funded from generous donations by concerned citizens, philanthropists and organisations.

BSCHH, facilitates total free care of cancer patients. The cost incurred in 2021-2022, on merely Chemotherapy **Rs.36.5 million**, Radiotherapy **Rs.39.75 million**, Diagnostics **Rs.20 million** and Surgeries **Rs.31.8 million**. With increasing patients (60%), the detection and curative treatment requirements with rising costs, the expenses will increase by over 60% under just these four heads.

To continue and also extend our free of charge services to patients reviving their hope to fight cancer with dignity. We request your assistance in cash or kind to help those patients who bear the dual burden of this capital intensive illness and poverty.

Hospice

When patients reach the last stages of the disease, Bait-ul-Sukoon serves as a Hospice, providing them palliative treatment with loving care and concern, making their last days as comfortable as possible.

Operation Theatre

Most modern and state-of-the-art Operation Theatre (2021), with fully equipped recovery room / HDU (5 beds).

At **BSCHH**, we understand that during this mentally and physically traumatic period of their lives, patients require very specialized care and personal attention. Bait-ul-Sukoon is supported by a team of renowned Oncologists, General Surgeons, Orthopaedic Surgeons, Physicians, Psychologists and an in-house laboratory efficiently **managed by Hussaini Blood Bank** as its philanthropic initiative, along with dedicated Trustees, Friends of Bait-ul-Sukoon and compassionate Volunteers.

We aim towards creating awareness by educating the public on reducing the risk of cancer and the importance of prevention and early detection.
