## BAIT-UL-SUKOON CANCER HOSPITAL & HOSPICE

## Serving Gracefully Preserving Dignity

Bait-ul-Sukoon Cancer Hospital and Hospice, managed & operated by Bait-ul-Sukoon Trust was established in 1999 as a Hospice. Today, by the grace of Allah it has transformed into a 79-bedded state-of-the-art facility spanning over 45,000 sq.ft., operating as a fully functional Cancer Hospital and Hospice, offering totally free services for the treatment of cancer with the support of donors, without any discrimination. The hospital building is fully equipped with the latest diagnostic facilities for the treatment and cure of cancer.

House of Peace & Contentment

'Alone we can do so little; together we can do so much.' - Helen Keller

## Our Mission

To help provide excellent curative and palliative care for the less privileged in an atmosphere of comfort with dignity and in solace. Furthermore, to educate people about the early detection of cancer, so as to help timely address it.

## Our Vision

To help treat cancer by providing free services to afflicted people of our society so as to fight it with hope, without any financial anxiety and in tranquillity.

When patients reach the last stages of the disease, Bait-ul-Sukoon serves as a Hospice, providing them palliative treatment with love, care and concern, making their last days as comfortable as possible.

**Hospice**

**Dr. Hina Jamil, Senior Medical Officer providing counseling to a hospice patient.**

## Caring Beyond Compassion

At **Bait-ul-Sukoon**, we understand that during this mentally and physically traumatic period of their lives, patients require very specialized care and personal attention. Bait-ul-Sukoon is supported by a team of renowned Oncologists, General Surgeons, Orthopaedic Surgeons, Physicians, Psychologists and an in-house laboratory efficiently **managed by Hussaini Blood Bank** as its philanthropic initiative, under the supervision of dedicated Trustees, Friends of Bait-ul-Sukoon and Compassionate Volunteers.

*We are honoured that **AKUH** has partnered with **Bait-ul-Sukoon Trust** to assist it by allowing its faculty & students to volunteer their expertise/services to help **BSCHH** in the fulfillment of its Vision, to provide quality treatment to cancer patients free of cost.*

**Maha Shamim**  
Cancer Patient

### Bait ul Sukoon Collaborates with Wig-O-Mania

BSCHH is the first ever hospital to introduce "Hope and Beauty," with the support of Wigomania whose compassionate donation has helped us introduce a program designed to provide Wigs to female cancer patients experiencing hair loss due to adverse effect of certain chemotherapy drugs, completely free of cost.

Our mission is to while providing quality health care facility to also help empower women, restore their confidence, & enhance their overall well-being during a challenging time of hair loss during treatment.

**ICU**

### Rani's Story of Courage & Survival

A 35-year-old mother of one, Rani Zafar was diagnosed with stage II breast cancer in 2022. The news was devastating, especially with her husband earning a modest income as a corn seller by the seaside.

Her life changed when Bait-ul-Sukoon provided her comprehensive, free-of-cost care, from advanced diagnostic tests and chemotherapy to surgery, radiotherapy, and essential medication, all delivered with compassion and dignity.

**She expressed her gratitude, saying, "Bait-ul-Sukoon stood by me like family throughout my battle with cancer. Their selfless care gave me hope and a second chance at life."**

### Types of Cancer Treated
